OUR CODE OF ETHICS

Maintaining the highest standard of ethics in the conduct of our business is our corporate policy and is the foundation of our Company’s culture. We have built a strong reputation for ethical business practices and this reputation is one of our most valued assets. Our Board of Directors is committed to maintaining our high standards of ethical business conduct and corporate governance principles and practices. Our Code of Ethics can be found at www.masco.com.
ENVIRONMENTAL

We are committed to conducting business in a manner that is mindful of our environmental impact and promotes and sustains the health, safety, skills and potential of our workforce. From developing environmentally-friendly products to reducing water and energy usage, we are dedicated to conserving natural resources in our manufacturing and complying with the laws and regulations that protect our planet.

In early 2023, Masco announced that it is setting an aspirational target to reduce its scope 1 and 2 absolute greenhouse gas emissions by 50% by the year 2030 compared to 2020 emissions. This goal aligns with the current standard of science-based targets deemed necessary to mitigate the worst effects of climate change.

**DIVERSITY, EQUITY AND INCLUSION**

We are committed to creating an environment where all employees are included, treated with dignity and respect and in a position to contribute to our future success. Our approach to DE&I is holistic and infused throughout our culture and our business, a mindset represented through our strategic framework with three interrelated key pillars: Workplace, Marketplace and Communities. In 2022, we continued to strive to reach our aspirational representation goals that, in alignment with our culture of continuous improvement, were designed to help us stretch.

**U.S. Aspirational Representation Goals**
